Singer/songwriter **April Meservy** has been featured on albums released all over the world. Meservy has performed in Salt Lake City's Olympic Square during the 2002 Winter Olympics and has performed as far away as China. Diverse in style, April's vocals can be heard on recordings ranging from jazz/blues to pop/rock to contemporary gospel. As a credit to her work in the studio, she was honored with Pearl Awards for "Studio Vocalist of the Year" in 2004, 2005, 2006 as well as other awards in 2005, 2007, and 2008. April's debut album, Harvest of Change, is slated for a Summer 2009 release.
