### Stevens Party

From the mellow to the rockin', from the serious to the lighthearted, **Stevens Party** pulls from a variety of musical styles. This veteran folk/rock band has a lot of fun performing together, and you'll have a lot of fun listening to them! Classically trained pianist and multi-talented musician Anne Stevens is a transplant from Los Angeles. Self-taught acoustic guitarist, lead vocalist, and basketball junkie Ed Stevens originates from Utah. And bassist, lead guitarist, and Harley biker Tom Rhoton hails from Phoenix. You'll enjoy their thoughtful and

insightful lyrics, their three-part harmonies, and their musical artistry.
